Technology Club

Grades: K, 1, 2

Thursdays from 2:50p.m – 3:50p.m

Dear Parents, Guardians and Students,

Mrs. Graham will be offering a Technology club to students in grades Kindergarten through Second on **Thursdays**. Technology club will be starting on **December 1, 2016** and will run through **March 3, 2016**.

Students will be offered to improve their skills in the use of software, Web tools, basic computer use and troubleshooting. Students will be able to create, build and discover using different technologies, devices and websites.

Please return the slip below by November 22, 2016 to sign your child up.

∗Please try not to sign your student up for more than one after school activity on any given day.

∗Also, be advised that ample interest and participation are necessary in this club or it may be subject to cancellation.

✂---
